Title: To the Royal Guard

Author: Unknown

---

Royal Guard.

In Fel, the Mystic Dragon  
Herder was prevented  
from delivering a much  
needed herd of dragons.  
This action caused a  
severe loss of income,  
not to mention showed a  
complete lack of respect  
to those providing a  
valuable and much needed  
service.

Hopefully today you have  
learned a lesson in  
respect and will no longer  
interfere.

Good Day.
